PROTECTOR PLAN®

RISK MANAGEMENT CONSULTATION PROGRAM

SIMPLIFIED INSURANCE SOLUTIONS FOR TODAY'S PHYSICIAN PRACTICES.

About Hinshaw & Culbertson LLP

Hinshaw & Culbertson LLP is a national law firm with offices in 11 states and London. Hinshaw & Culbertson, LLP has extensive experience defending physicians, nurses and hospitals in medical malpractice matters. With more than 40 attorneys specializing in this area, Hinshaw has one of the most experienced and skilled medical litigation benches in the country.

The firm is also skilled in the development of risk management procedures designed to prevent malpractice in the first place. Founded in 1934, Hinshaw has a history rich in insurance defense and complex litigation. The name Hinshaw has become synonymous with the defense and risk management of professionals in virtually every industry.

The Physicians Protector Plan is more than just an insurance policy, we are an experienced team working together to ensure that you have access to the best medical malpractice coverages, tools and resources needed to truly be protected in today's health care environment. This team-based approach is perhaps nowhere more apparent than in our delivery of Risk Management services. Our unique collaboration with Hinshaw and Culbertson LLP enables us to host a comprehensive array of Risk Management materials and resources including:

Exclusive access to a library of consent forms and various risk management content through our online risk management portal www.PhysiciansRisk.com/protected

Quarterly Newsletters with pertinent risk management updates and developments effecting with healthcare industry

Periodic email alerts summarizing recent decisions, opinions and rule changes specific to medical professional liability

OUR COMMITMENT TO YOU DOESN'T STOP THERE, each of our insureds also has access to a confidential Risk Management Hotline fielded by veteran medical malpractice attorneys ready to provide risk management consultations as you need them.
